Thanks Miguel. When will we have access to the plans? We would like to review them before stepping into the meeting.

Hello Mark,

Unfortunately we cannot change the date of the meeting because of the difficulty of coordinating everyone's schedule. However, I did reach out to the Metro Project Manager for this project, Dolores and she has informed me that she will be able to provide you with a draft concept for you and the property owner to review.

Should you have any additional questions please feel free to reach out to Dolores directly.

Regards,
